Feniks Taiko

The art of Japanese taiko drumming.

Taiko is a very dynamic form of percussion which originated in ancient Japan. Performing taiko involves a lot of choreographed movements which many recognize from martial arts. Taiko is loud, fast, impressive and energetic, leaving the audience in awe, begging for more.

Who we are

Feniks Taiko is the first semi-professional taiko group in Belgium and is considered to be one of the top 3 European taiko-groups.

What we do

Feniks Taiko brings concerts on international stages as well as short powerful acts to energize an event. We perform traditional Japanese pieces like Miyake and Buchi Awase, along with compositions from our founder Grete Moortgat.

What we offer

A performance can bring you 1 to 10 taiko players.
For large settings we can scale up to 25 players.

Shows: From 1 to 45 minutes
Perfect for festivals, business events

Concerts: From 45 to 100 minutes
Power Beat Taiko concert
Fire Beat Taiko with fire concert

Projects: Concerts with international players
And Never The Twain
On Eastern Shores
Onna

We are very flexible, tailor to the requirements of the event and join forces with other artists if our customer desires. So please don't hesitate to contact us for special requests.
